

# CANTEEN, GROUND OFFICIALS & GROUND SET UP ROSTER 2009

The system for manning the canteen and providing ground officials will be the same as in 2008.

Each Junior and Senior Team when playing a home game, either at Ted Burge or Sydney Smith will be required to provide one (1) person to serve in the canteen and one (1) person to act as a ground official for the full length of the next game plus approximately 10 minutes at the completion of this game.

SSG and Rooball teams will provide one person per team to serve in the canteen.

If your team receives a forfeit you must still provide helpers for the next game.

The 3.00pm team or the last team on a field for the day will pull the field down instead

***It is compulsory that all teams provide helpers for every home game.***

Canteen helpers must be at least 16 years of age.

Ground officials must be at least 18 years of age.

Every team will also be required to provide helpers for ground set up at **BOTH** Ted Burge and Sydney Smith.

A roster will be drawn up once field allocations have been determined.

It will be the manager's responsibility to organize helpers for these tasks.
