# Acceptable Code of Conduct

**Each edition we will focus on acceptable code of conduct, this week we take a look at the parents and spectators.**

Each team has a Coach/s and Manager, these are the only people who can give directions to how the team should play and what is required from each player.

Too many times parents on the sideline yell out instructions, which leads to players becoming confused and unsure what they should be doing during the game. So let's support the team by encouraging good play and sportsmanship and leave the directions to the Coach/s and Managers.

Below is the Acceptable Code of Conduct expected of Parents and Spectators, Please read these and ensure all parents and spectators within your teams adhere to these.

## PARENTS & SPECTATORS

- **Encourage children to participate** do not force them. Remember that organized sport is for children's enjoyment, not yours. Focus on the child's efforts and performance rather than winning or losing. Encourage players to always participate by to the rules and official's decisions.
- **Never ridicule or yell at a child** for making a mistake or losing a game. Positive comments are motivational.
- Remember that **children learn best by example**. Applaud good performance and efforts from each team. Congratulate all participants upon their performance regardless of the game's outcome.
- **Respect officials' decision** and teach children to do likewise.
- **Respect for your team's opponents** - without them there would be no game.
- **Show appreciation** of volunteer coaches, officials and administrators. Without them, your child could not participate.
- Support all efforts to **remove verbal and physical abuse** from sporting activities. Do not use foul language or harass players, coaches or officials.
- Condemn the use of violence in any form, be it by spectators, coaches, officials or players.

Next Edition we will look Players Code of Conduct

## **Sunday 25th May 2008**

These are great days for the Roo Ball Players, but to make it successful we require volunteers to assist on the Day.

If you can assist with any of the following - Referee, Canteen Helpers, BBQ Cooks, and Ground Set up your assistance will be greatly appreciated.

Please let your Coach or Manager know and indicate what time during the day you are available. The day generally will start at approx. 7:30am through to about 3:00pm.

### **Canteen Duty / Ground Set Up Duty 2008**

For Ted Burge Sports Ground and Sydney Smith

After a successful trial at Sydney Smith in 2007 a new Canteen Roster will be used at both home grounds this season.

Every Team will have canteen duty when they play a home.

After every home game each team will supply one person for the canteen and one person for ground duty. The duty will be for the duration of the next game.

eg. If your team plays at 11:30am duty will be for the 1:00pm game until the start of the 3:00pm game.

It is expected that this duty will be divided evenly amongst all the players/supporters of each of the teams.

This also includes the Senior Teams.

The 3:00pm teams or last team to play on the field will pack the field.

All teams will be rostered for ground set up duties through out the season.

## Round 2 – 12/04/08 & 13/04/08

### U6 Goannas v WW Crocodiles

**Loss 10 - 3**

Well the two Wenty sides, The Crocodiles and the Goannas faced off for an epic match. After a tight match the Crocodiles won, but the Goannas played well. Excellent passing by everyone. Well done boys keep it up.

Stocklands Award – Mehmet

McDonalds Award – Aiden

### U6 Crocodiles v WW Goannas

**Win 10 - 3**

Aryjan took first goal also scoring 1 more. Great team work from all the players. Alican took 4 goals and defended brilliantly. Raymond was also a great in defensive and scoring 1 goal for the team. Billy, brilliant attacking and taking 3 goals. Jacob's great attack and support but missed out this week on any goals. Great team work to the Crocs, well done

Stocklands Award – Alican

McDonalds Award – Raymond

### U6 Kookaburras v WW Kangaroos

**Win 10 - 2**

Second game, complete turnaround. Win 10-2. The team is bonding and has finally figured out that fun and goals go hand in hand. Plenty of improvement for all the players, fantastic effort. Everyone had a great time. Keep up the great effort. McDonalds Award – Tanisha Curran

### U6 Stingrays v Ermington

**Loss 5 - 4**

COACH'S CORNER What a run from Daniel, all the way from the half way line to the opposition's goalmouth. The last time I saw that was in 1986 World Cup, when Maradona did exactly the same thing! Isaiah what can I say, very impressive save. Ermington would have scored another goal if it were not for you. Well done! Great game by all with end score of 5-4 Ermington's way, considering we did not have training that week. Congratulations to Brandon for receiving the Encouragement Award, scoring his 1st goal of the season! Congratulations Matthew Lee for receiving the Spirit Award for displaying Good Sportsmanship. Congratulations Taylan for achieving his 1st Hat trick – scoring 3 goals for the Stingrays & receiving Most Player Award. Regards, Chook

Stocklands Award – Matthew Lee

McDonalds Award – Brandon

### U6 Redbacks v St Josephs

**Won 8 - 2**

How exciting was the match this weekend for our Redbacks. We had a home game against St Josephs which we won 8-2. Goals by Travis, Ryan & Zaran. The boys were very enthusiastic running and kicking and tackling and we really wanted the ball, every player got involved and I was so proud of all the boys when it was their turn to sit off. The boys excitement could not be matched to the spectators excitement with lots of proud parents, grandparents and a very proud coach.

Stocklands Award – Ryan

McDonalds Award – Zaran

**U6 Dingos v Parramatta City****Won 7 - 1**

A fantastic win for the Dingos this week who played a tuff and hands on Parra City team. Cameron Robson played an awesome game in defence protecting our goals and his \_ field run with the ball led to his very 1st goal. Adam Abi-Arrage's fast footwork and impressive tackles were outstanding scoring a goal in the second half. Joey Abi-Arrage our star striker this week scored an amazing 4 goals against the Parra city team. Kori Aquilina had some great runs with the ball, running the length of the field to score his very 1st goal  
Our player of the week trophy was awarded to Darcy Jones, His great teamwork, defending the goals and strong kicks were incredible

**U7 Blue v Rouse Hill Rams Blk****Loss 2 - 1**

A good game today. A couple of things could have gone our way, but didn't. Big difference from last week to this week, the boys didn't seem interested. Good games to Alex, Kayosh and Blake. There is always next week.

Stocklands Award – Kayosh

McDonalds Award – Alex

**U7 Green v Castle Hill United****Loss 1 - 0****U7 Orange v Rouse Hill Rams Blk****Loss 6 - 0****U7 Red v Greystanes****Win 9 - 0****U8 Blue v North Rocks****Loss 2 - 1**

Great turn around from last weeks less than convincing 5-0 loss. 8 Blue turned around from having 11 players to one team. The emphasis was on team work and passing which was very evident in the 2nd half. Praises to all players, especially Samuel Burnett who scored our finely constructed goal and Abbinesh Laguthaas for fair play throughout the game. All and all a great performance by all players, thanks again to the parents for their support and enthusiasm

Stocklands Award - Abbinesh Laguthaas

McDonalds Award – Samuel Burnett

**U8 Green v Castle Hill United****Loss 4 - 0****U8 Orange v Castle Hill (Round 1)****Loss 2 - 1**

This was a good even match, both teams played really well. Isabella had a great game. First hit out and all players put in a big effort.

McDonalds Award – Isabella Mamas

**U8 Orange v Rouse Hill Rams****Loss on Forfeit****U8 Red v Winston Hills Blk****Loss 4 - 0**

The team tried hard but played against a side with few weaknesses and at a different level. In saying this we need to learn to hold our positions and mark up when we lose possession. Johnny played fantastic in goals in the first half, William did just as well in the second half. The whole team did there best but special note for Nathan who did not stop running all game and Nicholas who gave it his all at he back clearing the balls in defence. Player of the match - Nicholas Pintur. Rob Coach

**U9/1 v Winston Hills Wht****Win 3 – 1**

Well done boys. Another good result. We played a more structured game today in attack and defence. Our defence did a great job again this week in turning defence into attack on several occasions. Good finishes by Clayton and Jobby and some great balls and crosses from Joel and Pat. Great work Boys – Coach Matt  
Stocklands Award – Jobby Woetai                      McDonalds Award – Zane Kabbara

**U9/4 v Castle Hill United****Loss 2 – 1**

Team played well and had a good time. Unfortunately the opposition scored a goal in the last second of time. The half time result was 1-1. Castle Hill scored the first goal and Dhanesh Mohan scored a beautiful goal for the team. Omar Ismail was playing for the first time as goal keeper and he did a good job in goals.

**U9/6****Bye****U10/4 v Granville Kewpies****Win 8 – 0**

Great play by all the team. Winning 8-0, with Chris scoring 4 goals. The boys played well as a team, passing the ball to each other.  
Stocklands Award – Jourdan GooLiary                      McDonalds Award – Jerome Ramos

**U10/6 v Kellyville (Round 1)****Win 5– 0**

This week was the first game of the season, played against Kellyville. The team played extremely well for their first match. Excellent goal keeping by Aaron, kept Kellyville from scoring any goals. Mustafa was fantastic in scoring 3 out of the 5 goals. Luey playing as midfielder played outstanding scoring 2 goals. Congratulations to the whole team, who have all improved and well deserved the win.  
Stocklands Award – Luey    McDonalds Award – Mustafa

**U10/6 v Guildford County****Win 2 – 1**

Wenty started strong with a lot of opportunities, but they couldn't put the ball in the net. I guess they were still asleep. The first half continued in the oppositions half with a lot of attempts to score. It was not until late in the first half when Aaron scored a great goal from a corner kick. The second half started similar to the first, until half way through the half when on of Guildford's strikers took the ball by himself and Ali saved the goal. The second half continued in the oppositions half until Mustafa found the net to score the teams second goal. With very few opportunities, Guildford managed to score a goal. At the end the boys had fun and it was a fair result for both teams.

**U11/1 v PCYC Parramatta****Loss 1– 0**

Much improved effort from the whole team. Result could've been in our favour with a bit of luck. Special mention to our goal keeper, Peter who saved a penalty and several good shots. This team is sure to improve  
Stocklands Award – Peter Francis                      McDonalds Award – Patrick Doueihis

**U11/4 v Kellyville****Loss 6 - 1**

Marked improvement from last week! Madeline played a great game in defence. Wares did a good job as goalie in the first half, saving three goals. Emmanuel, Shivam, Rahul and James tried hard in the backline. A great first goal of the season was scored by Matthew P. Andrew had a good game in the midfield and as goalie in the second half. Elie, Anthony, Ali and Mohamed all improved in their passing game. The team played very well in the first half with the half time score being 2:1. Unfortunately the team tired in the second half. We need to work hard at training.

Stocklands Award – Mohamed Abdi    McDonalds Award – Andrew Van Leeuwen

**U12/1 v Auburn****Loss 4 - 2**

An unlucky loss. We had many opportunities to score but the ball just wouldn't go in. We need to play as a team, pass the ball and remember the basics like marking the opposition and being first to the ball. With concentrated effort both at training and during matches a win is on it's way. Great penalty goal by Ashley. Goal also by Matthew. McDonalds Award – Ashley

**U12/4 Black v Went Waratah White****Win 2 - 0**

Good team game by everyone. Position and passing was good at times, but sometimes we are still bunching up. Good goals for Brad and Chris.

Stocklands Award – Christopher

McDonalds Award – Brad

**U12/4 White v Wenty Waratah Black****Loss 2- 0**

Good improvement this week team. There was some good passing and defending from our players. Jesse S played a good attacking and defending game. David S also played well in the centre. Excellent goal keeping from James kept their score down (top save James from the penalty kick). We need to practice our defence and remember to spread and not bunch up so much. Good game also to Ryan, Raglan, Jesse G and Kale. Remember to get out and practice when you are at home.

Stocklands Award – Mark

McDonalds Award – James

**U13/2 v Granville Kewpies****Win 6 - 2**

Well done Wenty. Fantastic play by everyone. Good moral booster after the first game loss. Keep it up – Wenty. We had a player score a hat trick and we kept the pressure on the Kewpies all game.

**U14/1 v Greystanes****Win 4 - 3**

Great goal by Ryan H in the first 90 seconds. Greystanes replied with two of their own within the next 3 minutes. A see sawing game. Second half we came good with some good goals and gave away probably 4 or 5 other certainties. A good team that can still win when they don't play their best, they have heart and ticker. A never give up spirit is back with the team this year. Great to see 3 goals to Ryan H, 1 to Mark. Joel was flash as a rat and Grant hotter than a hot dog. MVP – Ryan H

**U14/2 v Merrylands SFC****Win 2 - 1**

The boys took to the field with enthusiasm. Early on they played strongly in attack. Adam, Ben, Lawrence, Paul M, Sergan, Jono and James had great shots at goal. Second half saw the boys, Jack, Brett, Josh having to hold strong in defence. Team work and good passing from Mark Anthony, Robert, Anthony, Servan and Paul H saw Wenty hold strong with a win. Jono scored both our goals. Great Work guys.

Stocklands Award – Jonathan Crowe

McDonalds Award – Robert Duggan

**U14/4 v Castle Hill RSL****Draw 1 - 1**

Wenty dominated the first half scoring a quality goal by Jake Wright off a great pass from Morad Mohammad in the 20th minute. The second half was tight with the Rockets making a late come back to score an equaliser with minutes remaining.

Stocklands Award – Krishan Ravin

McDonalds Award – Matt Bailey

**U15/2 v Castle Hill United****Win 4 - 1**

Good game today with only a 10 man team. Our boys worked hard. We won it 4-1. Good goals by Joel, Michael and Christos (Own goal by Castle Hill United) Overall it was a good result especially with no reserves. Well done boys

**U16/1 v Auburn District****Loss 1 - 0**

U16/3 v Guildford County

Win 9 - 1

What a great effort by the team. This game had it all, great passing, teamwork and some great goals. Special mention to Hakan and Grant our two goal keepers who both played well on the field for a half each, their first time for a few seasons. Congratulations to Brad who scored his first goal ever with a well-struck penalty. To all the other players well played on a great game. The season is still young, but the way the players are working together and supporting each other, points to this team having a great season.

Stocklands Award – Chris Barnes

McDonalds Award – Brad Krammer

**U17/2 v Winston Hills Wht****Loss 4 - 2**

We couldn't do in the first half what we did the week before! Ball on the ground, attack the ball, pass, pass, pass. This is the way to play the game. Sadly we lost our keeper Stephen in the second half with a bad ankle injury. Good luck big fella, hope your back with us soon. Everyone else really needs to have a good look at the way they are playing and pick up the tempo if you wish to go anywhere in the competition. Coach.

**U18/1 v Granville Kewpies****Win 12 - 0**

Rnd 2 saw us playing Granville Kewpies, not what you would call a hard game. Scoring 5 goals by half time to finish the game with a 12 nil win. But the boys need to work on control when playing against these sides. The scoreline could have doubled with a little more patience and vision. Some good teamwork and nice goals to all that scored. Lets work hard boys!

**U21/2 v Castle Hill United****Win 4 - 1****U35/3 v Kellyville****Loss 9 - 2****Sen 4 v Winston Hills Blk****Win 10 - 0**

**Draw 2 - 2**

**Sen 8 v Greystanes**

**Win 1 - 0**

**Sen 9 v Rouse Hill Rams 1**

**Draw 1 - 1**

To get a point away from home was a blessing. We trailed pretty much the whole game after conceding a very early goal. The boys dug deep & got their reward in injury time. Zed Khan (Coach)

**Sen 10 v Winston Hills**

**Draw 1 - 1**

We should have won! Wenty had 70 percent of the possession and had twenty plus attempts at goals to Winston Hills five attempts. Michael Prants scored a great left footed goal in the eleventh minute and Winston Hills didn't equalize until thirty minutes into the second half. Defence was excellent, led by Ben Doss. A good improvement on last week, with everyone playing well as a team, but we need to work on goal shooting accuracy. Welcome to Justin who had his first game with the team.

**Senior 11 v Norwest Demons**

**Win 3-0**

This was a very hard fought win by the boys, they really had to try and control a game played against an enthusiastic Norwest team. This was a quick game with both teams making breaks but unable to complete. First goal came half way through the first half, after a great passage of play. We were playing an attacking game but kept forgetting to get back and cover our positions when defending. Second half was a much better effort in respect to keeping position and we played a lot better. Credit to the opposition they were keeping us honest by taking the game up to us. Making our boys work hard and appreciate the very good, 2 second half goals. As it was said after the first round, the season is still young, let's work hard together and focus on one week at a time. Good hard win, let's keep the enthusiasm going!!!

**10G/1 v Pendle Hill**

Great 2nd game Girls, Fantastic finish

**AAL 3 v Pendle Hill**

**Win 14 - 0**

A terrific win for the team with everyone contributing to the goals. The harder games are ahead but the teamwork and passing is getting better all the time. Our goals scorers were Amanda 6, Tammy 2, Nicole 2, Joanne 2, Kim 1 and Lauren 1.

## **Round 3 – 19/04/08 & 20/04/08**

### **U6 Redbacks v Lidcombe Waratah**

**Win 3 – 2**

Today we played our 1st game away against Lidcombe Waratahs - it was one of the few grounds open after a week of rain. The boys enjoyed running around on the slushy sloppy grounds and some came off looking like pros with mud splatters up their backs. We played a great game and were winning for most of it until Lidcombe equalled our 4 goals in the 2nd half and went on to score another in the last minute of the game - Final score 4-5. Zaran scored a hat trick, 3 goals and Vandan scored his 1st goal and was very proud of himself as were all the supporters on the side line. Encouragement Award: Will - for his great throw in Outstanding Award: Vandan - for his fabulous goal. Once again all players had a fun time and once again I am a proud coach.

### **U8 Orange v North Rocks**

**Loss 5 - 0**

Team tried hard but to no avail. Will have learnt a lot from this game  
McDonalds Award – Liam Farrington

### **U9/6 v Lidcombe Falcon**

**Win 3 - 2**

With the ground being in bad condition the under 9/6's still played, to make things worse we went into the game with 2 men down. Despite this the under 9's were able to over come this and defeat Lidcombe Falcons. With great passing from Tarun, Ishaan, Sahri and George to Neizad who took the ball pass a few players to adventurously score 3 goals for the team. But if it was not for the strong defence put up by Matthew, Mozammel and Amanda this result would not have been achieved. McDonalds Award – Mozammel Anwarg

### **U10/4 v Pendle Hill**

**Win 14 - 0**

Great play by Jacdar Khattar passing the ball across the players. The boys played well as a team scoring 6 goals in the first half. Well played in the second half. Great effort winning the game 14-0.

Stocklands Award – Chris

McDonalds Award – Eddy

### **U12/4 White v Pendle Hill**

**Loss 1 - 0**

Very Well Done boys, great improvement. It was great to watch this game to see everyone trying to put into practice the things we did at training. Everybody tried hard, Mohammed, Hamed , Mark, Michael excellent effort. Adrian & Jack played excellent in their positions with excellent defending also. Don't worry boys we are improving and the score is coming down. We need to practice a few more things but we will get there. Remember boys it is a team effort and we are also there to have some fun, winning is a bonus. Thanks to Ed and Michele.

Stocklands Award – Michael

McDonalds Award – Jack

### **U14/2 v Toongabbie**

**Win 2 - 0**

He boys started off very slowly. Lawerance did several good saves in goal. Anthony missed a few shots at goal before scoring late in the first half. The boys started the econd half a lot better with a lot of shots on goal by Adam, with Ben finally scoring with 5 minutes left on the clock. Generally the boys played well, but need to improve for the next game

Stocklands Award – Paul Madeley

McDonalds Award – Lawrence Zaknic

**U18/1 v Pendle Hill****Win 9 - 2**

Well what a game! From the start the boys played well with great passing & positioning to score in the first few minutes. But a couple of lapses let Pendo back in the game, but by half time we were leading 5-2. Again in the 2nd half our defence was a lot tighter & many chances were created to eventually come out winners 9-2. Overall the boys are going great guns & may this continue. Teamwork is absolutely terrific to watch. Lets hope the boys remain focused for the rest of the year. Shakey

**10G/1 v Winston Hills****Win 4 - 0**

Great game girls, I am really proud of all of you, in what you have all achieved so far this year. Playing in an under 10's competition when most of you are not even 9 yet, and for some this is the first time playing soccer, is something to be proud of. In this week's game we started really confident, coming from a huge win last week, we were all confident of another victory. We were 1 - nil up, in the first half, with a spectacular goal scored by Kaitlin, showing us just how fast she really is. Fantastic effort. At half time, at our team talk, you could just sense the urgency and hunger in the team for more goals, everyone was wanting to play up front just to score that goal. Remember girls it doesn't matter who scores on the day, it's a TEAM effort that gets us the result. Now the second half saw the ball being pushed from end to end, but thanks to some great defensive effort by our backs, we managed to keep Winston Hills scoreless. There was some great work by the midfield, to push the ball through for Kaitlin, whose performance the last 2 weeks has just been fantastic, to score her second goal. We then saw Olivia show us what she could do with the ball, and run away for our 3rd goal of the day. Well-done Olivia. The our newcomer, a girl who has never played before, Hayley, pulled out her best performance yet and showed us all she meant business, she ran from the far left of the field to the far right, right around the whole Winston Hills team, straightened up and scored our 4th goal of the day. Well done Hayley. Well done to ALL the girls. Let's see if we can make it 3 in a row. Many thanks to all the mum's, dad's and relatives who braved the weather to support the girls and myself...

**12G/1 v Winston Hills****Win 3 - 1****14G/2 v Winston Hills****Draw 3 - 3****AAL 2 v Castle Hill RSL****Draw 5 - 5**

Great comeback by the girls to achieve a draw.

**AAL 3v Merrylands SFC****Win 3 - 0**

A very good win by the team against some strong opposition this week. The girls kept their structure very well and were dominant all across the park. There were a number of missed chances in the first half and we led 1-0 at half time. The second half was again dominated by the girls and we scored two very good goals. Our goal scorers today were Lauren (2) and Joanne (1).

**AAL 5 v Guildford County****Win 4 - 1**

As the whistle blew the rain came down. Still to gain experience, the team took to the field as played in Rd 1. Great to have subs on the bench. First goal went to Ashleigh. Second goal went to Mel. Third goal went to Shelly. Good first half Wenty 3-0 up. Guildford' star striker made her appearance in the second half, strategy – to keep her from scoring worked well, till about 20 minutes into the second half we she managed to score, score now 3-1. Quiet second half, however Wenty managed to sneak in a fourth goal. Final score 4-1.

## Round 3- Make up Games

Great game boys.

**U9/4 v Lidcombe Waratah****Draw 1 - 1**

The team played well with only 10 players. The opponents had a very good goal-keeper saving them from 3 more goals. The opponent's goal-keeper even scored their only goal for the m, unfortunately in the last seconds of the match. Players were happy with the result.

Stocklands Award – Gorken Serimbas

McDonalds Award – Vighe Sritharan

**U10/6 v Winston Hills****Win 4 - 0**

Wenty took to the field a full team versing a much-depleted Winston Hills with only seven players on the field. The first half saw Wenty take lots of shots at the goal, keeping the Winston Hills goalie working hard. Wenty managed to put two goals in during the first half and then continued into the second half scoring another two goals. The boys played hard, staying focused on the game and communicating with each other, Great team work Wenty. Winston Hills played a great game and will certainly e a force to be reckoned with when they paly with a full team in the next round.

To day was our best game as a team. The result was a god indicator of the game, it was tight, exciting and it showed true courage. Every player played above themselves, it was a great game. Well done kids

**U13/2 v Lidcombe Waratah Black** **Loss 6 - 1**

This was a catch-up match. We were unlucky not to score many goals again despite several opportunities to capitalise. We scored first which was a moral booster, especially with the team coming first in the competition. This is only the first few games. Remember we started like this last year but we ended up playing the semi-finals. I am quite positive we will pick up as we go.

**U14/4 v Baulkham Hills** **Loss 4 - 2**

**U15/2 v North Rocks** **Win 13 - 0**

North Rocks fought valiantly with 8 players and their first half goal-keeper kept Wenty's scoring to 4 goals. He was aided by Wenty not passing to players in better positions and shots being blasted at him instead of laid into the corners. In the second half the flood gates opened and everything became rather slow. Easy win - 4 goals each by Sameer and Sam

**U16/1 v Castle Hill United** **Draw 1 - 1**

Again we started off well against an opposition that attacks well up the middle. Nice goal by George has us ahead early and we were playing some promising football. Sadly the "fitness" of too many players came into play towards the end of the first half and we dropped off. We conceded a goal from ordinary free kick in the second half and at this the players stepped up the speed of the game and we started to get on top. Thoughtless play and then an injured Castle Hill player saw the game fizzle to an early draw as medical assistance was required for the Castle Hill player.

**U16/3 v Castle Hill RSL** **Win 12 - 0**

What a difference 24 hours can make, the team turned up to play today and play they did. It was a great performance by all the team. There was so much great team-work and support of fellow players and this led to a fantastic victory. Well done. Stocklands Award - Christopher Cassear McDonalds Award - Aaron Narayan

**Sen 11 v Castle Hill** **Draw 1 - 1**

There is a long-standing rivalry between the boys and Castle Hill and every year it makes for an interesting game. This was no exception. The teams were very evenly matched and the first half saw no goals scored. Our goal came early in the second half courtesy of David Webb and a questionable corner kick. Theirs came late in the second half, culminating in a 1 all draw. All the boys played very well. We'll get them next time.

## **Round 5 – 03/05/08 & 04/05/08**

### **U6 Goannas v Ermington United**

**Loss 4 - 2**

Well, after a couple of weeks off due rain the boys came back at full force. It was a very even match and everyone played well. Great kicking and passing, with some great big kicks by Atticus and Christian. Super speedy Cooper intercepted many kicks and almost scored a couple of times. Jeremy and Aiden scored a good goal each and both almost scored a couple more. Well done boys

### **U6 Crocodiles v WW Dingos**

**Win 5 - 1**

Great game by the Crocs, first goal was scored by Jacob. Great team work and passing from all the boys. Arujan played a great game, excellent passing and defence and he scored our second goal. The Dingos scored 3 goals and played an awesome defensive game. Our newest member Kaden scored the 4th goal of the game and his 1st for the season, well done. Raymond after many attempts scored the 5th goal and Alican scored the last goal for the game. Well done Crocs

### **U6 Stingrays v WW Redbacks**

After a great start with two quick goals, the Stingrays looked like they were going to have their first win. Unfortunately this was not to be. We scored two home goals, however the Redbacks were the Stronger team on the day. Great two goals scored from Brandon and one scored from Taylan. Congratulations to Brandon for receiving the Most Valuable Player trophy. Congratulations to Mathew for receiving the Stocklands Spirit Award for displaying Good Sportsmanship. A fantastic effort from Isaiah's behalf he seems to be getting stronger & stronger each week, which goes to show what can be achieved with asthma. Congratulations in receiving this week the McDonalds Encouragement Award.

### **U6 Redbacks v WW Stingrays**

We played a home game against WW Stingrays winning 10 - 3. The boys were very excited to finally play again after the wet weather. We are really improving now with all the boys running the whole game - they are really starting to come together as a team and beginning to understand soccer more with every week. Goals from nearly all the boys this week. I am once again a very proud coach if not a slightly hoarse coach, managing to lose my voice at the end of each game, but I am having just as much fun as my little redbacks.

### **U6 Kangaroos v Parramatta City**

**Win 7 - 4**

A great game by Wenty. The team has improved a lot. They opened with Fawzi scoring a goal within the first 30m seconds. He went on to score 5 more goals, great effort. Parra City only had 4 players and put on a good game. Ayush scored the second goal of the game with a great break away. At half time it was 4-1 Wenty's way. In the second half Parra defended well and fought back with 3 goals. Spirited defence by Aryan, Salem and Alfred kept Parra in check. Jason had a good game playing for both sides when Parra started the game short of numbers. Great game by all, most improved went to Fawzi Saba and best and Fairest to Ayush Gupta

**U7 Blue v Parramatta City** **Loss 9 - 1**

Good game today considering the boys lost to this team last year 16-0 on a smaller field. The boys seemed to be asleep for the first 5 min. but then started to play. Good game by Daniel who was everywhere and most improved went to Lauchlan for his efforts in attack which he never gave up.

**U8 Green v St Josephs** **Loss 3 - 1**

Finally the sun came out and Under 8 Green was keen to have a good game. Alexandra was showing off her great ball skills, and Matthew and Jaycee were exciting in attack. Defence was solid with Ryan and Jack. Joseph's goal was one of the best of the season, and a great game was had for all players and spectators.

**U8 Orange v Castle Hill United** **Loss 3 - 0**

Well the score do's not reflect the effort the team put in today, all played very well and got better as the game went on. Dane played his first ever game of soccer and went well. Player of the match Anthony Kamel.

**U8 Red v Baulkham Hills** **Loss 6 - 1**

The team tried hard as they do every week. First half effort was an improvement on previous weeks but second half we lost our shape and struggled to get out of our own half. We need to learn to hold our positions and mark up when we lose possession. Training session this week we will focus on understanding positions, team formation and key plays within a game. Heads up team... we have work to do to become competitive but I am sure we have the ability to improve. Player of the Match - Khalil Mekhael

**U9/1 v Lidcombe Waratahs** **Win 6 - 0**

Well done Boys! 1st half was excellent with some great passing and lead up work resulting in a 4-0 score at half time. 2nd half was scrappy, as we seemed to back off thinking the game was over. Let's see if we can play 2 good half's of soccer next week. Good Result.

**U9/4 v Baulkham Hills** **Win 5 - 1**

**U9/6 v St Josephs****Win 1 - 0**

In tight game Wenty 9/6's over came St Hjosephs 1-0. In a game with few chances due to great defence by both nteams. Wenty was able to capitalise on single mistake by St Josephs where Neikad was able to punish the mistake with a great individual run from halfway to eventually score, this wouldn't of happened if it wasn't for George making a few critical saves. Over all it was a good game played by both teams.

**U10/6 v Ermington United****Win 4 - 1**

The game started out well with two goals scored in the first few minutes. Despite some great defence, Ermington managed to get one in not long after and the pressure was on! We had a few unsuccessful shots before Mustafa managed to score another goal for Wenty. The second half started off well with an early goal for Wenty. Ermington kept us on our toes, but we managed to maintain our position. Well played boys! Great to see that you've all been learning lots from training and managing to implement it on the Field. A good game.

Well done 12/1's, this was the first game where you applied what the coach had been teaching you at training, and this was the first week you played AS A TEAM! We hope you all enjoyed playing the game as much as we enjoyed watching it. The score was 1-1 at half time and Castle Hill United were very lucky to beat us. Believe in yourselves & your ability - a win is on it's way. A special mention to our wingers - Conor and Ashley, you consistently give it your all every game. Miguel (our goalie), you're simply G-R-E-A-T. Tolga you shone in your new position. All credit to our coach Julian, we appreciate the thought and effort that you put into training. Great goals by Matt & Ben.

The kids had a fantastic game today, even though we haven't played for two weeks. First half saw us 1 all against North Rocks, thanks to Luke scoring our first goal. Second half, Eric did a fantastic job in goals making sure they did not score again, while Giovanni, Arthur and Joseph scored our next three goals to make it a 4-1 win. 2nd half also saw you working as a team. Great work, keep it up.

Round 5 saw the 13/2's play against Castle Hill United. Again we had a good game but we lost. This shows that we need to do bit more than we are doing. Our team lacked aggression for the ball and I think they need to get more time to get used to a team play as there are few new players. Well better luck next time.

**U14/1 v Guildford County****Loss 2 - 1****U14/2 v Guildford County****Win 2 - 0**

An early goal from Jonno (Deft placement) gave us a good start. Adam put his body on the line pushing hard down the right side of the field and winning the ball on more than one occasion. A great corner from Anthony went unrewarded early on, but good pressure in the goal mouth soon gave him the goal he deserved. Lawrence and Jonno sent many long distance speculators as the opposition worked to keep our strike players offside. This was a game of missed opportunities. We mounted massive pressure in the later stages of the first half and throughout the second half, but a little ball control and some plain bad luck minimised the score line. Towards the end we backed off. The positives were good co-ordination in defence from the back 4 and a willingness from all to keep the ball in the opposition's danger zone

**U14/4 v Norwest****Loss 8 - 0**

Wenty were still asleep in the first 2 minutes of the match finding themselves down 2-0 in a game that just seemed to get worse. Karl was injured early and several decisions went against us but we were able to set up about five great scoring opportunities in the first half, unfortunately they weren't able to convert them into points. The half time score was 6-0. The second half saw a marked improvement from most players, but with several missed scoring opportunities the result was now unavoidable. Murad put in another big effort as well as Captain Pat. Final Score 0-8

**U15/2 v Pendle Hill****Win 3 - 2**

We will take the 3 goals and a win, but we need to play as a team

**U16/1 v Winston Hills****Win 1 - 0**

Started off very well and dominated for much of the game after that. Great lead up to an impressive goal in the 6th minute, from then on we made it harder and harder for ourselves to actually put the ball and the opposition away. There was a definite goal disallowed by a poorly positioned referee and two open goals missed during the game, which made it harder for all the players. Our players continued on during the game very well, possession-wise and some very good football was played for most of the game. Need to concentrate more on the finishing touch.

**U16/3 v Merrylands SFC****Win 4 - 1**

Today the team was not switched on to play, the two-week break didn't help the boys and we started very slowly. The normal good passing and supporting each other was lack lustre until mid way through the first half when we saw Hakan score his first goal with the team from a good cross. We continued to try and put our game together and a great cross from Emin saw Khayan score a good goal to lead 2-0 at half time. The second half we improved as the boys started to put it together and this saw another goal come our way. Merrylands to their credit continued to pressure on our defence and were rewarded with a goal. Wenty responded to this with another goal immediately after to give us a good win 4-1. A good result considering we did not play to our potential.

**U17/2 v North Rocks Black****Draw 2 - 2**

This was a great game to watch from the sidelines, both teams played some very good soccer. I was happy to see that the layoff didn't do us any harm and we were in it all the way. I am glad that you are starting to play as a team because that's what it takes to win games. Great work boy!!

**U18/1 v Dundas****Win 5 - 2**

Dundas played with their usual exuberance and put pressure on the ball player. In the 1st half we didn't come to the ball and were caught in possession. At times we let the ball do the work and our quick passing was pretty to watch, but it was patchy at best. We need to remember that it takes hard work to keep possession. Every player needs to contribute. We played just enough quality football to win. Dundas are a side that keep you honest, and we were found out at times today. Lets go back to basics – remember triangles – and pick up the work rate. Thanks to Joe Ng for helping us out today. Sorry, didn't realise you had a double-header.

Wenty scored early after putting St Josephs under a lot of pressure, and then we relaxed and let the opposition back into the game. With 2 goals against us. But the boy's came out in the second half determined to make up the difference. The team played well in the second half putting together some very good passages of play, resulting in 2 fine goals. Good 2nd half played by all, well done let's keep up the hard work, and remain focused on our game.
