**Welcome to another
addition of "The Waratah"**

On Sunday 25th May 2008, the Roo Ball Gala Day for Under 6, 7 and 8's was held at Ted Burge Sportsground. The rain stayed away and everyone had a great day. The huge smiles on the players faces as they received their medals at the end of the day was great to see. I am sure there were some fantastic team photos taken by parents. To all the volunteers who assisted on the day either in the Canteen, Cooking the BBQ, Ground set up and pack up, refereeing or being Ground Official a **BIG THANKYOU**, in ensuring we had a successful day. To the Wenty Waratah Committee, well-done in organising a fantastic Gala Day, it was pleasing to here from Coaches, Managers and Spectators from inside and outside the club on how well organised the day had been, and what a great day everyone had.

CANTEEN NUMBER: 9689 2195

Granville & Districts Soccer Football Association Incorporated

Notes from the May General Meeting

Wearing of Jewellery

Football NSW's regulations state that the only jewellery that is allowed is a medical alert bracelet. In addition, the GDSFA bylaws allow for a flat wedding band to be worn, but it must be taped to protect persons in the case of contact. The Referee has the right to prevent a player from participating if he/she cannot/will not remove any other items that are visible to him/her.

Personnel in the 'Technical Area'

It was agreed that no more than three (3) Team Officials and no more than five (5) players eligible to participate in the match under way shall be allowed in the 'Technical Area' or within the roped area where applicable. All Team Officials must be duly accredited and must be wearing their ID cards in the supplied pockets on lanyards.

Player Eligibility

Each Team Official shall satisfy himself/herself that all the opposition players presenting themselves for a match are duly registered and eligible by:

- viewing the player's official ID card and
- confirming that the player's name, FFA number and borrowed team (if applicable) have been correctly entered onto the Team Sheet

The team sheet is to be signed by both teams' Team Official **prior** to handing it to the Referee and **prior** to the game commencing. If a Team Official has a query concerning a player's eligibility to play, it must be brought to the Referee's attention at that time and **prior** to the game commencing. Failure to mention anything to the Referee **prior** to the game commencing is deemed to be an acknowledgement that all the opposing players present are eligible to play. Note that:

- A player not present at the commencement of the match, but whose name and FFA number appear on the Team Sheet, is eligible to take the field after having satisfied the opposition Team Official of his/her eligibility.
- If, after having been raised as questionable by the opposition Team Official, a player cannot satisfy the Referee of his/her credentials, the Referee shall deny the player the right to participate in the match.
- Once the game has commenced, no appeal regarding the eligibility of any player will be entertained at any level.

The Referee will nullify any unused lines on the Team Sheet to prevent any names from being added after the commencement of the match.

Playing Uniforms

Non-uniform strips have been observed on more and more occasions. All players are required to be attired in the same (club) gear, including shorts and socks. For Round 9, warnings will be issued by the Referees. For Round 10 onwards, the Referee will prevent the offending player(s) from playing.

Consumption of Alcohol

Clubs (and GDSFA Officials, if present), are required to prevent the consumption of alcohol whilst matches are in progress. If the offenders refuse to comply, the Referee will be required to abandon the match and refer it to the GDSFA Management Committee.

CANTEEN

The Wenty Waratahs Soccer canteens are a very important part of our club. Whether it is getting a cup of coffee on a cold winter's morning or grabbing a sausage sandwich or one of our famous bacon and egg rolls for lunch or even having a quiet ale after all the games have finished at Ted Burge. It is where you bring your results, tell tales of great deeds performed by our children, or that bad bounce of ball that robbed us of victory. They are the hub of this club on game days. However they are more than that, the canteens form a very important part in supporting this club financially. Without the money generated by the canteen your fees would not be the cheapest in the association. Some of the costs faced by this club in putting teams on the park are quite high, park fees, referee fees, jerseys, balls plus all the money that goes to the association and Soccer NSW. This is why we ask parents and players to help out in the canteens, why we ask people to support the club by buying food and drinks from the canteen. In return we charge very reasonable prices i.e. \$1.00 dollar for a bottle of water. So please support our canteens because every cent made goes towards providing the best club for your kids.

See you there.

Also a big thank you for all the parents who helped out in the canteen on the Ted Burge Gala Day, it was much appreciated.

STATE CUP COMPETITION

The State Cup is a knock out competition and sides across NSW can enter. Two of our teams have entered in their respective age groups, the 14/1's and 18/1's. Unfortunately for the 14/1's, they lost their first round match. Below is the match report for the 18/1's who secured a first round win and now move on in the competition.

Wenty Waratah 18/1 V West Ryde Rovers

Win 6-4

The boys played on Sunday in a knock-out competition against the West Ryde Rovers. At the beginning of the game we created many chances but were unable to capitalise. West Ryde took the early lead against the run of play. During the game the lead was to see saw on a number of occasions, however each time the lead was taken from us the boys lifted a notch to display some lovely soccer and to finally take the lead and retain it. Good luck boys for your next match.

CODE OF ACCEPTABLE CONDUCT

Following on from the 2nd Edition, we take a look at the Players Acceptable Code of Conduct. All players are required to follow the below and adhere to them at all times.

PLAYERS

- Play by the rules.
- **Never argue with an official.** If you disagree, have your captain, coach or manager, talk to the official during break or after the game.
- **Control your temper.** Verbal abuse of officials or other players, deliberately distracting or provoking an opponent is not acceptable or permitted in any sport.
- **Work equally hard for yourself and/or your team.** Your team's performance will benefit so will you.
- **Be a good sport.** Applaud all good plays whether they are your team, or the other team. Treat all players, as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player.
- **Co-operate** with your coach, team mates and opponents. Without them there would be no competition.
- **Play for the fun of it**, and not just to please parents and coaches.

Next Edition we will look at the "Coaches" Code of Conduct

Round 6 - 10/05/08 & 11/05/08

U6 Kookaburras v Dundas (2) (Rd 5)

Loss 7 - 3

3rd game actually played this season after 2 weeks of washouts. Great effort by all, I think a slight reluctance to the best due to cold weather. A good start to the game, the other team found their rhythm late and took the win. All had fun and look forward to playing again.

Stocklands Award - Layla Nagle

McDonalds Award - Zakery Fernandez

U6 Goannas v WW Dingos

Win 6 - 1

The boys played very well and had their first win of the season. Atticus worked well in defence and managed to score one goal. Mehmet had a few opportunities and went close to scoring a few times. Aiden made some clean breaks and also went close to scoring a few times. Jeremy scored one goal. Cooper and Christian scored two goals each. Well done boys, let's play this way next week.

Stocklands Award - Jeremy

McDonalds Award - Cooper

U6 Crocodiles v Dundas 1

Win 12 - 0

Another fantastic game by the Crocs. Arujan scored 4 goals this game, fantastic work from him, great support and teamwork. Billy also scored 4 goals, fantastic attacking from Billy. Jacob, great support and attack also scoring a brilliant 3 goals. Our brilliant little defender Raymond scored the final goal of the game. Well-done Crocs, good game.

Stocklands Award - Arujan

McDonalds Award - Raymond

U6 Stingrays v Lidcombe (3)

Loss 3 - 2

Stingrays had a strong first half leading 2-Nil against Lidcombe 3. Brandon scoring two goals for the team! The team played extremely well and this has been the closest scoring game for the Stingrays since we kicked off the season. Ending with the final score of 2-3 Lidcombe 3 winning by 1. Congratulations to Taylan for receiving the McDonald's Encouragement Award. Congratulations to Daniel for receiving the Stocklands Spirit Award. Congratulations to Isaiah for receiving the trophy for Most Valuable Player this week.

U6 Redbacks v Ermington United

Win 7 - 0

Wow what a game, We played an away game against Ermington with a 7-0 victory. The boys are really bonding as a team now with celebration hugs and all. Striker boy Zaran scored 4 goals-what an achievement with another 2 goals from Travis and 1 goal from pocket rocket Ryan. Alex and Will played a great game too. I was again very proud of my little Redbacks even if we only had 1 reserve due to Vandan's absences which we missed his smiling face.

Stocklands Award - Travis

McDonalds Award - Ryan

U6 Dingos v WW Goannas

Loss 6 - 1

An exciting and competitive game today, at half time we were down 0-1, however the game was really played in the 2nd half when we lost 1-6 all the boys put in a fantastic effort today, unfortunately we came up a little short in the second half after playing a 20 min first half thanks to Darcy's dad Peter who set his timer for 15 hours instead of 15 minutes the boys spend the first half really defending there goal to a dominating Goannas team, however we will introduce those special oranges at half time which really got the Goannas

CONTINUED...

striving in the second half Darcy played a magnificent game today, attacking and defending Joey scored a fantastic goal in the second half Cameron played an awesome defensive game. Adam and Kori had some great runs with ball. A special thankyou to Joey's dad Martin who refereed today's game and also cooked the BBQ for canteen. Player of the week – Adam

U6 Dingos v WW Crocodiles (Round 5)

Loss 7 - 1

Well after a forfeit in round 3 and rained out in round 4 our boys were keen to play, Unfortunately we lost 7-1 however the team enjoyed playing and look forward to next weeks game and much missed soccer training. The Crocodiles really dominated today's game with strong attacking players, Kori and Cameron played a great defensive game saving many goals, Darcy's had some fantastic kicks on the field and free kicks Adam's persistence on the ball was outstanding, only just missing the goal Joey scored our one and only goal with his incredible run from _ way. A great game played by all the boys. Thankyou to Joey's dad Martin who referee's today's game. Player of the week trophy – Cameron Robson

We started 2 players short but this only seemed to make the team more determined to do well. By half time we had a full side on the field and we played the best soccer we have played all year. The team did fantastic at getting back and defending our goal and were unlucky not to score a winner. Well done team...let's build on this result and push hard for a win. Player of the Match - Johnny Antoun

U9/1 v Baulkham Hills

Win 4 - 3

Well-done boys. A great 2nd half by all. To fight back from 3-1 down really showed you boys have Determination and Character. Special mention to both Joel and Zane for outstanding games.
Stocklands Award – Zane Kabbara McDonalds Award – Joel Seniuk

U9/4 v Pendle Hill**Draw 1 - 1**

Again this week the result was 1-1. First half our goalie (Omar) did not touch the ball and we scored a goal. Second half the other side managed to score a goal while our players lacked some energy (No Reserves). The team played very well, thanks to all the parents for your support. The players had great fun, keep up the good work, awesome teamwork.

Stocklands Award – Roshan Pheeratha

McDonalds Award – Sanojan Thiyagaraj

U9/6 v Ermington**Loss 2 - 0**

Wenty Waratahs 9/6's had another tough game, but this time they lost 2-0. In a close game the difference was the two mistakes our defence made which Ermington punished. Overall I feel the score didn't reflect the closeness of the game. Wenty Waratah 9/6's will continue to learn and get stronger.

Stocklands Award – George Dola

McDonalds Award – George Abdo

U10/4 v Lidcombe Waratah**Win 4 - 1**

Our toughest challenge this year! Still won 4-1. Good effort by all but standout was Roby with two great saves in goals.

Stocklands Award - Timothy

McDonalds Award – Joachim

U10/6 v Guildford County**Win 2 - 0**

We were blessed with good weather today. The boys played with high spirits and great enthusiasm. The first half of the game was played mainly in the oppositions half. Sajad scored the first goal after quite a few attempts from the team to score. Luey, Harrison, Sajad and Mustafa showed their best kicks in the first half. Second half had a good start with the team scoring a goal again by Mustafa. Ali, John and Shane played well. Final score was a 2-0 win. Great game guys! well done.

U11/1 v North Rocks**Loss 2 - 0****U11/4 v Rouse Hill (Rd 5 3/5/08)****Loss 4 - 0**

We started slowly and conceded 2 goals early but after settling down but still defended for most of the game but held out well until half time. We continued to defend in the start of the second half and were kept in touch by a great penalty save from Andrew Van Leeuwen to the cheers of the Wenty supporters. We attacked in the last 10 Minutes and had a couple of good moves down the right side.

Stockland Award - Anthony Antoun

McDonalds Award - Ali Younes

U11/4 v Dundas White**Loss 3 - 0**

All the team improved this week. There was a more consistent effort for most of the game and the forwards put lots of pressure on the Dundas Goalie, who made some very good saves to deny Wenty. Nil all at half time but then we conceded late goals

Stockland Award - Shivam Gurung

McDonalds Award - Wares Anwary

U12/1 v Parramatta PCYC**Loss 6 - 0**

We are mighty proud of the 110% effort put in by our team today. We played the team on the top of the ladder who defeat every team 5, 6, 7 - nil each week. Miguel, our goalie - you were fearless. Baris - you played an exceptional game. Our fitness showed today - keep up the hard work at training. How do you know when you have a good team? Because the opposition's coach starts panicking and yelling at every one of his players every time they make a mistake. If we play like this against the other teams - we will WIN!

Stocklands Award – Baris Hurriyet

McDonalds Award – Miguel Limson

U12/1 v Baulkham Hills (Round 3 Makeup)**Loss 6 - 0**

Coach, Manager and Parents are a little dumbfounded at the result against an evenly matched team. Baulkham Hills didn't win today, WE LOST! Every team is allowed an off game but this is becoming a habit. We need to sit down together and work through any negative feelings we are bringing onto the field. If we give up the minute a goal is scored against us - we will continue to lose. It's that simple. Keep trying until the final whistle and you might surprise yourselves with a win. Mehmet-Ali you played a great game and created opportunities to get the ball forward. Thankyou for the 12/4's for lending Luke & Eric - you guys carried your weight during the game - well done.

McDonalds Award – Mehmet-Ali Canli

U12/4 Black v Rouse Hill Rams**Loss 2 - 1**

Sorry kids, but this game was pretty ordinary. Don't let the other team frighten you with their size. Go in and tackle and take the ball from them. You proved you could against North Rocks, so when we face Rouse Hill again you kids can come out winners. Keep trying to do your best.

Stocklands Award – Alp Yilmaz

McDonalds Award – Joseph Rovetio

U12/4 White v Winston Hills**Loss 3 - 0****U13/2 v Greystanes****Win 6 - 3**

It was a great game. It has really boosted the morale of the team. After few defeats, we overwhelmingly won against Greystanes. The score at half time was 4-0 in Wentys favour. There was a great come back by Greystanes to make the final score 6-3. Our boys showed a great sense of soccer on that day and hope this spirit will be reflected in the coming games. Thanks to Charbel and the boys for the continuous effort.

U14/1 v Granville Waratah**Win 5 - 0****U14/2 v Castle Hill United****Draw 0 - 0**

Good defence by both teams. Not a lot of scoring opportunities by both teams. Well Done.

Stocklands Award – Adam Cuthbertson

McDonalds Award – James Cuthbertson

U14/4 v Bye**Bye**

U15/2 v Merrylands United**Loss 6 - 1**

We against Merrylands United should be a very consistent game. The boys worked very hard. Our goalie Carmine was on the ball at all times. At half time the score was 2-1 Merrylands way. The second half was also a very consistent game, the boys once again worked very hard. I am certain that the score was not the finish they wanted or expected. – Mum on the sideline.

U16/1 v Baulkham Hills**Win 2 - 0**

A much needed boost to our game today. We played very good football against a side that never stopped trying to get over the top. The players held it together very well and came out on top in a game that was a pleasure to watch. A further improvement in the second half and we were able to dominate the possession for the greater part of that period.

U16/3 v Kellyville**Win 4 - 0**

Today we ventured to Kellyville to commence our second round. With Wenty having a comprehensive victory in the first round, Kellyville were determined not to have a repeat of that score line. The team was very slow to start as Kellyville came out with determination and enthusiasm that we did not match until midway through the first half. With only one minute left in the first half we finally scored to give us a 1-0 score line at half time. Second half was much improved as the boys lifted their work rate and were rewarded with 3 more goals. Scoring his first goal in several years from 20 metres out was Grant (Normally plays Goal Keeper) with a great strike. Much improved second half by all the players, we need to stay focussed for every game, if you want to go all the way.

Stocklands Award – Amrit

McDonalds Award – Emin

U17/2 v Winston Hills Black**Loss 8 - 2**

I was disappointed today, not because we lost, but because there were players who have up!! This team has never dogged it before this year and I don't want to see it happen again. We need to push as hard as possible from the opening whistle till the end of the game. We need to be more forceful on the player and finish tackles off. Play as a team boys and we'll start to win games. Coach.

U18/1 v Granville Waratahs**Win 4-2**

Up against the Grand Finalists from last year again, a mix up in goal in the first 5 minutes saw Granville score. Lots of possession & corners but no result. 22 minutes and another goal by Granville. Half time 2-0 down. Three minutes second half Wenty scored, good goal Tom. Possession and control and another goal after 12minutes second half. Another nice goal from a penalty from Adam. Another penalty kicked by Josh and backed up by Matty O (4-2). Some great work Matty O and Martin. Nice win for all the mums for Mothers Day. Matty R we all hope you have a speedy recovery

U21/2 v Kellyville Kolts**Qin 2 - 1**

With Wenty playing at their fortress, the boys rallied together against the odds to overcome a one nil deficit to triumphantly ensure all three competition points stayed at Ted Burge. Midfielder Nathan Pearson withheld the pressure to force an own goal from Kellyville. Hungarian International Lukatch Senteleky provided a stunning chip from a well-earned free kick. Utility player Istuan Morton came off injured and left the boys with no substitutes due to a hamstring injury. The local hero Scott Galey provided the final goal through a superb throw ball from Lukatch to make the golden boot trophy closer and closer.

U35/3 v Pendle Hill White	Loss 3 - 0
Sen 4 v Granville Kewpies	Win 4 - 1
Sen 7 v Kellyville	Loss 2 - 1
Sen 8 v Granville Waratah	Loss 3 - 2
Sen 9 v Winston Hills White	Loss 2 - 0
Sen 10 v Rouse Hill Rams	Loss 7 - 2

Rose Hill Rams showed us why they are the competition leaders. They controlled the midfield, the ball and the game. However we showed at times that we could match it with them. Our opening 10-15 minutes was brilliant, with smart passing and creating several opportunities from which we were unlucky not to have scored. We should have been two goals up. Our defence at times was questionable which lead to several soft goals by the Rams. But we did show commitment to playing the game out and not giving up and scored two well executed goals. At least we came off the field saying we got beat, but we also played some good football. If we keep training hard and start being more tactical in our games, I am sure our first win will not be far away

Sen 11 v Rouse Hill Rams **Win 1 - 0**

This was a very closely matched game, well played by all. Dean Walker scored the only goal in the game, early in the first half, but the boys played to the whistle and did very well to keep the opposition out.

10G/1 v Castle Hill RSL **Loss 1 - 0**

Girl Power is back after having three weeks off, a combination of wet weather and the bye. Commitment to training meant the Girls skills remained polished for the top of the table match. Castle Hill got the better of us the last time we met, however this time we proved more than a handful. Great pressure on the ball carrier and support while in defence left Castle Hill very few opportunities at goal. Leilani gave a player of the match performance and was more than up to the task with several great saves, her kicks into play setup the mid field where Madielyn N., Hayley, Alyssa and Lisa sent the ball forward with conviction. Castle Hill play a very compact defence with the backs pushed up to the midway line and a sweeper the last line of defence. Kaitlin and Olivia combined on several occasions to break the line and push forward only to be denied in the final third. At the end other of the park Rachael, Meg, Isabelle, and Maddy I. returned the favour. It was time for some subs Nicole, Kylie and Rachel brought fresh legs to the game mid way through the 1st half and the impact was noticeable. We started the second half nil all and it looked like being a scoreless draw. Everything was going according to plan, when with 16mins left to play, some bad luck and a fumble in the box sent the defensive line scrambling and Castle Hill scored the only goal of the game. We countered with the next passage of play after being forced deep into our defensive third, the ball broke free and successive passes up the field saw Olivia running hard and fast up the middle with the ball at her feet, her shot from distance was then cleaned up by the keeper. Jess subbed for Maddy N and she was everywhere pushing the ball forward and holding up Castle Hill attackers. The final 10 mins were probably the best for the game. We had the ball in our box and Castle Hill were tiring. We won several corners, but were unable to convert the dead ball. With solid skills and effort at training we can beat this team. A game the girls can be very proud of. Well done everyone.

12G/1 v North Rocks

Draw 3 - 3

14G/2 v Merrylands SFC

Loss 5 - 0

AAL 2 v St Josephs

Win 4 - 2

AAL 3 v Winston Hills

Win 3 - 0

A good return to form by the team after last week's loss and we scored three well executed goals. We still didn't convert all our chances, but the passing and communication was excellent. Our goal scorers were Nicole (2) and Alicia (1).

AAL 5 v Baulkham Hills (Rd5 4/5/08)

Loss 2 - 1

Today's game after a two-week break was a hard one. Baulkham Hills have been our toughest competitors yet. They are a very fit and skilful team. We did well without our regular keeper. Our keeper saved several goals and our backline held out their forwards extremely well. Half time was nil all. Second half and we kept hem scoreless until the 15-minute mark when they scored their first and then another goal followed. We played well and finally Mel scored with about 1 minute to go. Fulltime 2-1 to Baulkham Hills, good effort girls, we'll beat them next time.

AAL 5 v Winston Hills

Win 4 - 1

Nice to have a bench with 5 subs. The team played really well, but could have possibly have scored more goals. We had the shots but could not finish them in the net. First half score was 3-0. Winston Hills did very well to keep us down to only 1 goal in the second half, as they only had 11 players. 2nd half score was 1-1. Room for improvement. Well done everyone.

Round 7 - 17/05/08 & 18/05/08

U6 Goannas v St Josephs

Loss 3 - 2

The boys were a little erratic today, must have been the full moon. After a slow start they pulled together to get 2 goals. Mehmet scored one in his last game before his holiday to Turkey, all the best and remember the Goannas. Cooper scored the other goal and each of the other boys went close a few times. Great game in the end. Have fun boys.

Stocklands Award - Asvath

McDonalds Award - Mehmet

U6 Crocodiles v Parramatta City (1)

Win 18 - 0

The Crocs had another great game this week. A lot of improvement with passing the ball to their teammates, well done boys. Raymond started the game off this week with the 1st goal followed by another 3 goals for the team. Jacob scored 2 goals this week and his passing was fantastic. Alican scored an impressive 6 goals this week; great to see he has recovered from chicken pox, well done. Billy scored 5 goals this week, great work Billy. Well this is the game that got away from us but we still had fun and managed a 1-1 draw. We just could not get into the game with our leading goal scorer not playing due to sickness (hope you get better Zaran). All the team had a great defensive game with Traves saving lots of goals. Again I was extremely happy with our progress especially with the younger players stepping up to the challenge.

Today the team did well and stayed in position a fair bit. We tackled and dribbled well. But needed that extra bit of big kicking to get the ball forward. For his excellent work in goals Travis gets the Stockland Award and Ari gets the McDonalds Award staying in position the most. Well done team.

U8 Green v Pendle Hill**Loss 3 - 1**

The Tahs were off to a good start with Ryan saving a certain goal and Jack doing a fantastic job in goals. Matthew scored an exciting goal in the 1st half and things were looking good. Joseph made a great break down the line in attack, but as hard as our team tried, we couldn't quite make it a win. Good game and great effort by all.

U8 Orange v Merrylands**Draw 4 - 4**

Great effort by all the players today, everybody carried out their job very well. Nathan scored three goals and Anthony was brilliant at the back in defence. Ryan, Liam and Danle worked very hard in defence also. Joshua, Bella and Jarrod were great in the middle and created many chances to score. James saved plenty of goals and kept us in the game. Great effort by all, congratulations 8 Orange.

What a game... it had it all, determination, desperation, commitment and sportsmanship. After dominating the game we fell behind to an unlucky goal. This only lifted the team and we played with great spirit to come back and score two goals to win the game. Khalil scored a great goal to set us on our way and the Luke B scored a brilliant winner. Well done! Nathan & Johnny playing out wide, Luke R & Lucy when in goals, Mandy, Kate, Rodger and Sooriya in the middle of the park, William and Khalil up front and Nicholas & Luke B our solid defenders at the back. Player of the Match - Sooriya Rajeswaran.

An energetic game. The other team of very fit and enthusiastic players scored within the first few minutes, which left us slightly surprised. However we rallied and played well. Considering Wenty Waratahs 9/6's were down 3 players on the field, we still dominated the game. This could not have happened without the fine work done by the mid-fielders in both attack and defence. The goal scored by Neizad Rahmatallah, a penalty by Afa Tapon and a sensational goal by George Abdo from 20 metres away which went into the left hand corner.

After an initial delay to the beginning of the match, the game commenced with the Waratahs usual enthusiasm and attacking flair which is fast becoming a highlight of the 14/2's game. The first half was highlighted with excellent structure in the midfield and also defence, which was evident in the fact that 60% of the first half was played in the opposition territory. Servan, Anthony and Lawrence were presented with scoring opportunities midway through the first half, although the Merrylands defence held steadfast, with some good athleticism displayed by their goal-keeper. Early in the second half saw Merrylands take ascendancy, although, through good defence and great goal

keeping, Wenty managed to keep the opposition at bay. Good in roads made down the left mid-field resulted in our first goal to Adam, midway through the second half. U18/1 v Granville Kewpies

Win 6 - 1

An unsettled start to the game resulted in a couple of close range misses. The game soon settled to controlled passes, resulting in a goal to Josh mid first half. The midfield was kept busy defending constant attacks from the opposition, leading up to half time. Two quick goals to Brenton & Matt O just before the half time whistle gave the boys a boost in confidence. Josh cleaned up well with another goal right on the whistle. The second half began with some set moves and plenty of attack from both sides. A goal to each side quickly in the second half settled into a fair game with controlled set passes and some long shots on goals. The middle of the second half produced scrappy play resulting in a scoreless period. There were plenty of opportunities and lots of shots on goals in the second half without result. A good result for the boys, however a disciplined game plan will help future successes. Well-done Boys.

U14/4 v Castle Hill RSL**Win 2 - 1**

After giving competition leaders Kellyville a run for their money last week, Wenty 14/4s again dominated in the first half this week with the bulk of play occurring in the Castle Hill half of the field. Wenty scored half way through the first half when Tariq found the net off a great cross from PJ in the right corner. A lapse of concentration in the Wenty backs let in a soft goal to Castle Hill early in the second half leveling the score. The boys weren't going to let a win get away against the team coming second in the competition. Castle Hill's keeper got a work out with several great shots from Wenty including one from Deniz from about 25m out that would have curled inside the left post if not for a great save. Abdul had a great game scoring the winning goal with about ten minutes left on the clock. Other strong performances came from Pat, PJ and Murad. The full time score was Wenty 2 Castle Hill 1. Scorers Taria (1) Abdul(1). Well done boys, keep up the good work.

U15/2 v Granville Kewpies**Win 3 - 2**

First goal within 15 seconds by Michael, All the backs and midfielders defended well. Excellent passing up both sides of the field. There were many clever moments through the game. Over 12 headers by Michael Simoni. Smart "aerial" work by the defense, blocking and passing. Down to 10 players in the last five minutes, Half time score 2-0 with a final score of 3-2 and a win to Wenty.

U16/1 v Lidcombe Waratah**Win 4 - 2**

As they say in the papers, this was a game of two halves. We were up by 4 at half time and that was the end of the game as far as the players were concerned. We dropped right off and back to the skill factor of the opposition and allowed them back into the game, along with an excuse for a linesman presenting some very ordinary decisions and not helping the ref or the game one bit. We need to concentrate for the whole game.

U16/3 v Winston Hills**Win 6 - 0**

With an earlier start than usual, the team seemed to be missing that spark they normally show. However they played well in patches with some great passing and great runs down the wings with excellent crosses to the middle of the goal. Winston Hills to their credit kept putting the pressure on and never gave the Wenty players a lot of space to work in. With a 3-0 lead at half time we had the game under control. The second half was much the same as the first, but the players did enough to score another 3 goals and come away with a 6-0 win. We need to turn up to play, and play the way we know we can. Well done team.

Another game to forget. A lot of skill, but no ability to use it.	
U18/1 v Winston Hills	Win 7 - 0
First half was a great effort from Wenty. The score at half time 3nil, should have been 20nil and as Gus says "The soccer gods weren't with us" 2nd half was pretty feisty, plenty of yellow cards flying around the field (only one to us!!). Game ended on a good note with Wenty winning 7nil.

Another fantastic game girls, you really are starting to blend together. Our first goal by Sam Greening started of a winning streak with our next goal from Jaz. Second half saw our goalkeeper on the field and score not one but two goals. Good on you Kayla, we told you, you could do it, even if it meant using your head for the second goal. Great game girls. Thanks to Claudia, for going in goals in the second half and keeping Castle Hill from scoring.	
AAL 2 v Lidcombe Waratah	Win 9 - 0
Well done ladies, great win!! Good gaols from Debbie (3), Christine (4), Mel (1) and Chrissy (1). Keep it up.	
AAL 3 v Pendle Hill	Win 6 - 0
Another solid win for the ladies, although not all our chances were converted. Our strike rate still needs to improve, but our passing game is getting better. Our goal scorers today were Lauren (3), Mel (2) and Alicia (1).	
AAL 5 v Bye	Bye
