Hello from the Editor

I cannot believe the season is up to round 18 this weekend. What a fantastic season we have had with plenty of Wenty Teams bound for the Finals Series starting on the 21st August.

I trust all the SSG teams have also enjoyed themselves this year, and by looking at the Under 6 Kangaroos, they enjoyed the recent Gala Day at Ted Burge.

It is that time of the year all teams need to complete an editorial for the Yearly Newsletter which contains all information about how your teams went throughout the season. Reports can be emailed to aba89528@bigond.net.au or use the link on the Wenty Waratahs Website. Enjoy the final Round of the season and Go Wenty Waratahs in the Finals.

The Editor

From The Canteen Committee

Hi Amanda, thank you for organising the canteen roster for the Gala Day. Without the help of the SSG parents there is no way that the canteen could have coped as it is always one of the busiest days of the soccer year.

Please pass on the Canteen Committees thanks to all those parents that helped out. Their efforts were much appreciated.

Regards,
Allan, Cheryl and Michele

FEEDBACK

Hi All,

I just wanted to pass on my personal thanks to all of you for all your hard work and effort yesterday at the Gala Day. I also wanted to pass on some great feedback I got from pretty much all teams that took part especially from the visiting clubs Lidcombe, Guildford, Greystanes, Pendle Hill & St Josephs. The St Josephs coach said he brings a team every year because it is such a good fun day of soccer for all.

Comments of note were: "The day was well organised", "Presentations after the completion of a team's game was great as it avoided having to hang around" and "The kids had a ball". So a great effort all round and thanks again.

Cheers,
Andrew

To all at Wenty Waratahs

Round 11 – Girls/Ladies – Sunday 20/06/10

12G/1 v Castle Hill United **Loss 3 – 1**

12G/2 v Bye **Bye**

14G/1 v Kellyville **Win 1 – 0**

Another tough game for the girls, who appear to be having a bit of a slump in form over the last two weeks. An early attack from Kellyville almost resulted in a goal but some great goal keeping by Megan put a stop to this. Our only goal came from Candice in the first half and a further attempt a minute later by Latisha failed as a result of great goal keeping from Kellyville. This proved to be "the norm" for the rest of the game. Despite the girls showing some good ball skills in their passing, dominating in attack for most of the game and despite a number of further good shots at goal from our players the Kellyville keeper proved to be our "Achilles' heel". All in all good team work today and great to see Emily showing her skills in this game. We hope to see all the girls return to top form over the coming weeks, leading up to the finals.

U6 Kookaburras v Holroyd Rangers 2 **Win 6 – 2**

Today everything went the Kookaburras way, especially the score. A fantastic 6-2 score line is proof that the boys are coming together as a team. Great defence was shown by Pierre, Oscar J and Eddy. Congratulations goes to Oscar G for an awesome effort with kicking 4 goals and a huge cheer for Francis and Byron for opening up the goal scoring account. Thankyou to all our supportive families, especially Eddy's dad and Leigh for assisting the boys each week.

U7 Supernovas v Greystanes 6**Win 7 – 0**

It was great to see the boys show great courage to bounce back from Mondays game and put in such a great effort. The Supernovas came to play, with Adam passing to Benzi to tap in for the first goal in the first few minutes. Aidan and Ryan defended strongly when Greystanes went forward. Ruben ran forward and only just missed the goals. Benzi scored again, then Adam scored his first goal. Joseph showed some skill in the midfield, ran forward and scored. Benzi raced through the midfield to score his 4th goal just before half time. The half time score was 6-0. In the second half the Supernovas continued to move forward, but the Greystanes defence was spirited. Ryan was great as the last line of defence. Ruben worked hard in the midfield passing to team-mates. Adam showed speed to score his second goal.

Great passing today Sawathie and Natasha. Most goals scored by Greystanes was in the first half of the game. 2nd half, we encouraged Natasha and Jimmy to play in defence. This helped stop the flow of goals. All credit to the Galaxy Players for not giving up despite being defeated.

Hard game today team, coming up against the competition leaders. We trailed 2-0 at half time and came out eager in the second half to score a well constructed early goal. Jack was outstanding in goals saving many good attempts from Castle Hill. Unfortunately we were unable to get back in the game, eventually going down 4-1. Heads up boys, we still showed some good signs of what we are able to do, better luck next week.

U9/3 v Toongabbie**Win 3 – 0**

Slow start today, the boys seemed to be in 2nd gear. They were playing well, passing it around but seemed to be afraid to go forward. A few good shots from Joe, but they just missed. When we scored our 1st goal the boys seemed to liven up in the second half. Great game to all and it was hard to choose a man of the match. Stocklands Award – Brayden

U9/6 v Winston Hills**Win 3 – 1**

A very positive result for our team. We went into the game with the goal of using the whole soccer field to attack and we did. The start of the game saw using our two wings well with Cameron and Brianna both getting into space and sending in good crosses, the pressure led to the ball being cleared to Cameron whose shot from just inside the penalty box went high into the goal. The game continued with us pressing forward and a lifted shot into the square saw a handball and Joshua confidently slotted in the goal. Several near misses later in the half saw a 2-0 half time score. The second half saw several substitutions with a number of players trying new positions which saw Winston Hills make several long breaks into our half but Simran, Sonni and Ciarra defended well allowing Georgia and Claire to make good runs back into attack. With some strong attacking saw Alex score her first goal of the season which was a great reward for an excellent season. Winston Hills finally with a long ball through the middle got their striker away and despite Claire's best efforts scored making the final score 3-1. Some more hard work at training will see us improve even more for the remainder of the season as we come towards the finals.

Well done.

Round 11 and we travelled to North Rocks Oval. The boys all huddled around the Coach and the white board to get the final positions for the day along with a few words of encouragement. They ran on for the first half and were pressuring the North Rock goal. Persistence paid off with two goals in the first half. North Rocks came back in the second half with a few good breaks. Our boys then pulled it together and scored another goal. A good game by all. Well-done boys.

U13/4 v Guildford County**Loss 3 – 1**

Despite the score this was a close game. Guildford was the better side on the day, but our boys really gave it to them. We pushed their defence on numerous occasions and despite many attempts our only goal came from a beautiful pass, which allowed Youssef to score. The team whilst having played better managed to limit Guildford's score. Great attack and play making by Ali, Elie and Manish provided many opportunities but we failed to get them in the goal. Guildford on the other hand managed to threaten our goals regularly and due to their better ball control and passing pushed our defence sorely. Shivam had another big game continually plugging the mid field. Ewan did a great job in defence and sweeper position. Anthony had a good game in the mid field to earn the Stocklands Award. Great effort and if we keep this up then we should make the cut for finals. Scorer – Yossef

U14/3 v Kellyville**Win 6 – 3**

The boys got off to a slow start, must be the early morning start after watching the World Cup. They finally got their act together about 15 mins in, then they started to fire up and play. The second half was a lot better, and a good all round game overall with a hat trick from Matthew, one from Carlos another one from Bill and Hadi got his first for the year, great effort from CC to chase the opposition and get the ball off them, Eric had a strong game and Brad was very strong as well in defence. Lets hope that the boys continue on their winning way for the rest of the season. Awards this week Brad and Matthew.

U14/4 v North Rocks**Loss 5 – 0****U15/2 v Toongabbie****Loss 6 – 0**

The boys played quite well despite the score line. We missed a few opportunities, which would have made us equal at half time. We also let in a couple of easy goals. Mitchell had a great game, constantly marking one of Toongabbie's key players. Our defence was strong and did hold the Toongabbie attack a number of times.

U16/1 v Toongabbie**Loss 2 – 1**

The team started well this week. Nelson, Joshua pressured Toongabbie in attack with Brett running well on the right wing. In the second part of the first half we defended well with Mark A. running well. We had a lot of near misses, however we relaxed when Toongabbie scored. In the second half we did all the hard work in getting to their line however we would then lose the ball. We started to leave players unmarked which did not help our cause. Finally Brett scored and we were in with a chance, however it was not meant to be and the final score was a 2-1 defeat to Toongabbie.

U16/2 v Baulkham Hills**Loss 1 – 0**

A disappointing game that ended with a 1-0 loss. Midfield were a bit slow today and the gaps gave Baulkham Hills control of the game. A red Card resulted in us being down a player in the second half and the backs worked hard to keep the score to 1-0. Mon of the match was Ezon for an excellent defensive game

U17/2 v Castle Hill United**Win 3 – 2**

After last weeks great win, our boys were filled with confidence and perhaps a little complacency. Castle Hill gave us a close tussle in the first round and this game wasn't any different. They pressured our ball players and were soon rewarded with a goal. Despite our team having ample opportunities we went in at halftime 1-0 down. After a half time pep talk by Coach Russel, the boys regained their composure and started to put their passing game together. Showing a lot more patience and structure the goals soon started to flow and from there on Wenty never looked like losing the match. Great come back boys.

U21/1 v Dundas**Win 6 – 1**

A fairly even competitive game was seen today. Wenty dominated possession and the run of play with a couple of close chances. Wenty managed to score 3 goals to Dundas's 1 in the first half. Second half and Wenty continued to dominate the game, however Dundas made us work hard for our goals with a further 3 goals in the second half to give us a 6-1 win. Well played boys.

U21/2 v Winston Hills White**Loss 2 – 1**

A good chance to continue our climb up the ladder. In the first half the team were not focused with the job at hand and with Winston Hills never allowing us time on the ball and continually put us under pressure we went into half time down 1-0. Second half after a roasting from the coach the team played much better, although Winston Hills scored again to lead 2-0. Eventually we started to gain momentum and were rewarded with a goal to bring the score back to 2-1. Towards the back end of the game, a ball which appeared to cross the line was not awarded a goal, this would have had us level, however overall we let ourselves down by not performing to our true capability. Final score 2-1 Loss to Winston Hills

Home game this week with the sun shining but a cold wind blowing. Tough game for me today trying to keep an eye on two matches so bit of a "mish mash" report. However great start to the game with our first attempt at goal less than a minute into the match, but not quite making it. Nevertheless, with a strong attacking game and good ball passing the girls went on to score three goals before half time thanks to a "Hat Trick" from Maddi. In the second half the girls really "fired up", there were a number of individual attempts at goal from good high kicks just missing the net. A show of skilful teamwork resulting in another 3 goals. Excellent goal keeping today by Latisha and Megan keeping the opposition down to 1 goal. Good game had by all today and good return to some winning form. Keep up the excellent work girls.

Wow, what can I say. The first time we played this team we were unlucky to lose 1-0 to them in the last 2 minutes of play. Not our best game today boys. Kellyville played extremely well. The wet slippery conditions made our job difficult. We had glimpses of good play, but were scrappy through our midfield. Good game today with no training this week and one player missing and a few late, the preparation was scratchy. Our fullbacks were once again solid and I couldn't fault them. The boys are really playing well, let's keep it up.

U9/6 v North Rocks**Win 5 – 0**

The game was played at a very fast pace by us with plenty of ball movement down both wings. Cameron and Georgia combining especially well with a number of 1-2 passes allowing them to get past their defenders and attack the right side. Joshua kept the ball flowing through the midfield picking the correct side to attack and he was ably helped by Sonni, coming from his blocking position. Our first goal was scored by Joshua after a series of attacks were stopped by Nth Rocks goalie but weight of possession soon told and our second went to Andy whose inside support was rewarded with a goal. Cameron got our third just before half time with a great strike that left the goalie with no chance and as a coach I was well satisfied with our first half performance. The second half began with Alex dominating in the central striker role with strong runs forward drawing in defenders until Georgia was able to take a shot scoring her first goal of the season. It was good to see our defense when given the opportunity taking the ball forward with special mention to Claire who played a wonderful second half. Joshua then got our last goal but we still kept going forward as team and it bodes well for our next couple of games that we played right up until the final whistle.

This was always going to be a hard game against Granville and the boys struggled at first. It came together by the end of the first half with Wenty managing to score a goal. Not long into the second half Granville managed to put one in and the boys seemed to lose a little of their spirit. The last ten minutes were heart stopping, as each team fought hard with determination to get the winning goal. A bit of a slow start on a soggy ground, but Elias opened the scoring up after 15 minutes with a beautiful goal from a good pass. The team were passing the ball and working together to move the ball around and up the field. As the game progress our boys began to work harder and more closely to press the attack and defend on the few occasions Wentworthville broke through our defences. Wentworthville pressed our defence in the closing stages of the game but good defence by all kept them scoreless. Yossef scored two good goals whilst Manish scored an indirect goal off of Wentworthville defence. Ned Bukarica had a great game taking on the Wentworthville defence on numerous occasions and showed great improvement earning him the McDonald's award for his efforts. The game was sealed by a perfect goal from Elie, which was truly inspiring to watch. The team should be proud of themselves and we are definitely contenders for the finals. Again there was another slow start by the boys, up by 1 at half time but after a strong pep talk from Steve and Matt at half time the boys rallied and finally got the momentum going to put another 5 goals into Greystanes net, Matthew scored 5 goals after his hat trick last week, and Carlos 1 goal. Strong game from Giovanni and Eric as well as CC. Luke put some great crosses in from the sideline into the box, which helped at least one of the goals scored. Keep up the good work boys. A great game of soccer was played this weekend. At half time it was nil all. Rouse Hill were first to score. Orville was able to level score later in the second half. We played well in defence, with Liam and Mitchell being our better defenders of the game. Krishan and Jeff played great in attack with both just missing the goal posts. Well-done boys!

U16/1 v Winston Hills**Loss 2 – 1**

Brett scored Wenty's goal in the opening minutes and this gave the boys inspiration for the first half. Wenty had great passing, fantastic defence and attack. This all led to numerous attempts at goals, but unfortunately Winston Hills scored from a penalty kick, right on half time. Second half opened slowly with Wenty again having attempts at goal but the ball just wasn't going our way. Winston Hills scored again and put the pressure on us. Great keeping from Jason meant they didn't score again. Overall a fantastic and entertaining game, where Wenty dominated but were just unlucky, Well-done boys.

U16/2 v Kellyville**Win 4 – 3**

Down 1-0 at halftime the boys played a fantastic second half to win 4-3. The game was finally won with a goal in the last minute of the game. The midfield was strong and some accurate kicking by the backs set up our success.

U17/2 v Pendle Hill**Win 8 – 2**

An unexpected start to this game saw us down 1-0 after just 5 minutes. A mix up between the goalkeeper and one of our defenders result with one of our boys receiving a red card for a handball in the box. Reduced to 10 players, Wenty quickly turned it around with some determined play and went in a half time leaders 5-1. The second half was a of an anticlimax with the game already out of reach for Pendle Hill. Both sides substituted goal keepers to give the boys a bit of fun and the end score was 8-2. Great effort, well on our way to the finals.

U21/1 v Castle Hill United**Win 7 – 0**

Good strong game by Wenty from the start, passing the ball around and keeping possession, resulting in 3 quick goals to Wenty, the boy's remained focused and played some very good entertaining soccer for the whole 90 minutes. The boy's playing out of their normal position due to players being unavailable settles in well and played very strong games as did all.

U21/1 V Loftus (Football NSW Robertson State Cup Semi Final)

What a game Wenty!! with the opening 10 minutes being played at a very quick pace. With both teams trying to dominate, resulting in some very good quality play resulting with Wenty scoring 2 quick goals . The Loftus team tried to get back into the game, but the Wenty boy's just kept closing down their plays. Excellent result final score 3-0 to Wenty. Today the boy's continued their form, from the previous day and added maturity to their play.

U21/2 v St Josephs Rydalmere**Win 3 – 2**

Another crucial game for the boys today and the resources were down due to illness and players not available. To the credit of both teams the game was played in the right spirit and a pleasure to watch. Wenty scored the opening goal midway through the first half and right on half time we were awarded a penalty, thankfully this was successful and we went into half time with a 2-0 lead. We started the second half slowly and within 15 minutes the scores were locked at 2-2. To the credit of the boys they continued to pressure St Josephs and Sasha got the winner with about 10 minutes remaining. The last 10 minutes saw Wenty continually turn St Josephs attacks around also put pressure on their defence on many occasions. Well-played boys and another good victory that continues our climb up the ladder.

U35/5 v Dundas**Win 4 – 3**

A team effort by the boys today that resulted in a great win against Dundas 4-3. It's our third win for the season with many more to come. Well-done O/35's, the most goals scored in a game for a long time.

The boys played very well. They were passing their way through the opposition with great passes that found their teammates. At halftime we were up 2-0. In the second half the boys continued with good passing and supporting each other and they were rewarded with a further two goals. Well-done Senior 10's a 4-0 win against the Undefeated (Until Now) Winston Hills Black.

A tight opening 30 minutes with both teams having a couple of long-range shots. Wenty missed a good chance when a shot went straight to the keeper, he released it quickly and Baulko scored against the run of play. The second half and Wenty dominated field position but could not convert our chances. Baulko scored another goal on the break. Eamonn scored to make it 2-1 but Baulko scored 3 quick goals on the counter as Wenty pressed to get score. Wenty does not lack effort, but at times teamwork, composure and patience is lacking. The season is not over yet, let's keep going right to the end.

A lovely sunny morning and not too early a start for what was another good return to form for the girls. Our opponents got off to a strong start, keeping us down in their goal area for the first 10 minutes or more before we were able to turn them around and get our first goal as a result of an excellent cross from Maddi to Jess within the goal keepers box for her to score. The defence from Auburn proved difficult to break through for the remainder of this half despite some further strong attempts at goal. Again the girls lifted in the second half with us getting another four goals and with a few more good attempts just missing there could have been more. Very good ball work today between all the girls particularly in the forwards Maddi, Latisha, Shantelle, Candice and Jess, good support from Adriana, Shenelle and Abbey in the mid field. Excellent defence from Nisha, Megan, Tamara and Hayley kept Auburn from scoring a goal. Congratulations to our girls who held their own against their much bigger and very physical opponents. Goals Maddi 3, Latisha 1, Jess 1.

We went to Baulkham hills full of confidence and were positive we could get a result. However within 1 minute of the kick off we fell behind 1-0 when a simple pass through the centre found their central Striker unmarked and he placed a well timed shot past Catalina in goal. Falling behind for the first time this season really upset our normal passing game and we were unable to get the ball through the midfield for the rest of the half. With St Michaels constantly getting the ball at half way we would have fallen even further behind except that Ciara in defense had her best game ever and kept winning the ball back and passing it forward. The second half was a copy of the first with an early goal to Sty Michaels when a miss-timed kick spun away from Catalina in goal. However she kept trying and brought off several great saves to keep us in the game. When Alyssa dropped back into the midfield we finally got some forward movement and a shot on goal, but with no one following the shot the fumble went unpunished. Late in the half we once again allowed an unmarked player in the midfield gifting them a third goal. For the fourth week we were to slow in moving the ball forward, while not working hard enough off the ball to create unmarked players which when playing against a well drilled side kept us from creating any pressure inside their half. But Ciara, Alyssa and Catalina all had their best game of the season and with a bit more effort I am sure we can reverse this score in the future.

Caelon, Travis, Mikayla and James were solid at the back in defence. Our midfielders ran all day with solid games from Ryan H, Abbinesh, Ryan J and Liam. The 21/2's had a solid victory today, with some great passing and teamwork which eventually leading to some terrific goals. An early goal in the first half seemed to settle the team down and they went from strength to strength. A second goal 15 minutes later and the team were on top. Just before half time Greystanes pulled a goal back to have the half time score 2-1 to Wenty. Second half and we started slowly again, and it was not until midway through the half that we started to take the complete control of the game. Great morning, great game, great win against the leaders on the point table and it proved to be third time lucky but not some much as luck but impressive team work from the girls. This began five minutes in with a great kick from Shenelle picked up by Candice who passed to Maddi to score our first goal. The girls played hard to retain the early lead with a good kicking game, strong defence and some fantastic goal keeping from Latisha. The game was evenly matched for most of this half with the girls scoring another goal and Pendle Hill managing to get one past us with the half time score, 2-1. An early goal in the second half from Pendle Hill brought the score to 2 – 2. We continued to dominate in attack for the remainder of the game with another two great goals extending our lead to 4 – 2. Our girls didn't stop with several attempts just missing the net, which could have extended our lead further. A better effort this week even though the result was identical last weeks. The game began very evenly with both sides very well organised in defence not allowing any room in the middle of the field. With our back three playing forward a mistake on the left saw Rouse Hill get away and score their first goal. We were able to pressure their defence several times but were unable to find the mark

with our shots. With it looking like we would go into half time only down 1-0 a lucky rebound saw the ball squirt out sideways to an unmarked player who shot high into the net. The second half was well contested with Joshua making several great runs but lack of support saw him run down. With three minutes to go a weak shot by Rouse Hill got a great bounce and saw them win 3-0. Everyone played well with special mention to Joshua, Sonni and Claire and a great effort by Andy in defence saw a much better performance that was not rewarded this week but encourages us for the next 4 weeks.

Ali Younes finally got the ball rolling with a good goal. The boys showed many moments of good soccer with lots of teamwork, passing and crossing especially in the second half. Ewan showed the boys what good goals are made of with a superb goal in the second half. Manish also showed once again that he is the playmaker and worked the team well, scoring four goals himself. Unfortunately these efforts were coupled with some very ordinary soccer, which we all need to focus on and correct to make the semi's. The match appeared to be on an even keel until lapse in concentration allowed Granville to score one goal before half time. We started the second half a little flat and Granville soon had another goal. From this point on the match turned into an arm wrestle with a few opportunities for both team. What a great day to be playing in a State Cup Grand Final. The boys arrived at Valentine Park focused and ready to play. The Wenty defence line was just outstanding, breaking down every attack thrown at them by St Patricks, not forgetting the great efforts of our goalkeeper. It was a game where if there was an opportunity given you had to take it, and Wenty seized the opportunity. After some very strong defence by the backline we chimed in with the mid fielders who put the ball up front and put away nicely by Blake. Half time 1-0 to Wenty. Second half the game again started very quickly with Wenty having the upper hand, and again through some very good play, Wenty scored again 2-0 to Wenty. With 4 minutes remaining, St Patricks scored taking the score to 2-1, but from the recommencement of play, Wenty put the result beyond doubt with some excellent team play which resulted in excellent goal to Dane and victory in the prestigious Football NSW Robertson State Cup. The game began very fast with St John's very fast and mobile strikers pressing forward but our defence ably captained by Ciarra maintained their discipline and didn't falter allowing Sonni and Joshua to move the ball forward with speed. The game went back and forward but our better teamwork saw us get the better of the first half and were unlucky not to score just before halftime. The second half saw Wenty continue to push forward with good

passing combined with using the full width of the field saw us get behind the St John's defence and nearly score. With Joshua and Sonni controlling the mid-field our forwards of Alyssa, Brianna, Molly and Georgia were able to press forward and finally Brianna with a long range shot from outside of the goal square scored the winning goal. U10/5 v Castle Hill United

Loss 4 – 0

The game got off to a late start. The 1st half was played well by Wenty's with Dylan S as goalie saving lots of goals. 1st half ended with 0-1 Cstle Hill way. The 2nd half got away a bit from Wenty although Antony did some great defending. Kushal as goalie also tried hard but unfortunately we were down a few players.

This was a good victory because the team played hard for the full term. A hat-trick to Murtaza, 2 goals to Tim and finally another goal to Yasir. Welcome back to Toufic after having his appendix out. A tremendous effort boys, Keep it going. Stocklands Award – Nathan

Win 5 – 1

U14/3 v Auburn District

Win 6 – 0

The boys again off to a slow start, it took a while to finally hit the back of the net, it is good to see Christos return as he put in a strong effort after missing a few games and training. Goals this week one from Matthew, Justin another one this week, Giovanni finally scored, Hadi two and Bill one. Ben was fantastic in goals, for his size he does not back away from the bigger boys. This weeks awards - Hadi and Christos.

U16/1 v Auburn FC**Win 3 – 1**

A good start by the boys with many shots on goal just missing, or going wide. A goal scored against the play putting us 1 nil down. The boys kept trying and eventually a great goal scored by Omar making it 1-1 at half time. A very good second half with lots of shots on goal when finally Omar had another shot on goal and scored making it 2-1 up. A late penalty goal made it 3-1 up. Very well played boys!

U16/2 v Dundas**Loss 6 – 2**

A great effort considering we only had ten players today. We had a slow start and were down 5-1 at half time. The troops rallied for a second half that allowed Dundas only 1 goal in the 2nd half to keep the score down to 6-2 at full time. More committed defence and better passing made for a great second half. With numbers down we need a positive concerted effort for the end of the season to finish on a high. Good luck boys.

U17/2 v Winston Hills**Win 5 – 0**

Winston Hills only had nine players, and maybe that worked in their favour. Our boys showed very little urgency and at times total disregard for team play in the opposition goal box. After a solid display last week against the comp leaders, today's game was disappointing. On the bright side, we managed to win 5 nil without our super goal-keeper Johnathon. This was a game that will get the bugs out of their systems on the march towards the finals.

U21/1 v Greystanes**Win 15 – 0**

Wenty hit the field full of enthusiasm, which carried throughout the game. We scored a couple of early goals which set the scene for our epic victory. Tony scored an excellent solo goal, Blake scored a double hat trick and there were many great saves from Danny. Overall a very convincing and well deserved win.

U21/2 v Castle Hill United**Draw 1 – 1**

Solid game by the boys today against the competition leaders. We had our chances to win but we just could not manage to score that winning goal, well played boys.

U35/5 v Rouse Hill Rams**Win 1 – 0****Sen 4 v Pendle Hill****Win 4 – 0****Sen 5 v Pendle Hill****Win 6 – 0****Sen 10 v Toongabbie****Win 5 – 0**

We had a slow start to this game, Toongabbie played with only 9 players all game. For the first 50 mins it was a scrappy game. But we started knocking it around and we scored 5 goals. So we had a 5-0 win it just wasn't a pretty game.

Sen 11 Black v Dundas**Win on Forfeit****Sen 11 White v Rouse Hill Rams****Draw 0 – 0**

The team played extremely well, passing the ball left to right, opening up in attack and closing down in defence. We had numerous shots on goal but we were unsuccessful in finding the back of the net. Full credit to the Rams keeper.
